

# Ocean Science Educators' Retreat

---

Amanda Holloway

Consortium for Ocean Leadership

15-16 November 2018

# Follow up activities from OSER 2016:

---

- Send data back to individual institutions and ask them to backfill the data
- Get the information into a database
- COL advocate for bridging gap between academia and industry
- Pursue NSF sustained funding for diversity in ocean science education, addresses concern about 3-5 year projects
- Create a content/resource page on the COL website
